Decision

Claim ID: 17257

1. The Claimant brought this appeal by way of arbitration from a decision of the Administrator set out in correspondence dated March 29, 2007 denying the claim for compensation under the HCV Transfused Plan. The Claimant sought review of the Administrator's decision as an Approved HCV Personal Representative of an HCV Infected Person in connection with the death of her husband.

2. Telephone conferences were held involving the Claimant, Fund Counsel, Mr. John Callaghan, and the Administrator represented by Carol Miller. A summons was issued for further hospital records during the relevant Class Period. All parties were provided with the records and they were reviewed and discussed.

3. Upon careful consideration of the matter, the Claimant made an informed decision to abandon the appeal. Accordingly, by consent of the parties the appeal is dismissed.

DATED at Vancouver, British Columbia, this 11th day of January, 2008.
