

**THE 1986-1990 HEPATITIS C CLASS ACTION SETTLEMENT**

IN THE MATTER OF AN APPEAL FROM THE DECISION OF THE ADMINISTRATOR  
DATED APRIL 4, 2005, CLAIM #4155

DATE OF HEARING: December 19, 2005

ARBITRATOR Michael Mitchell

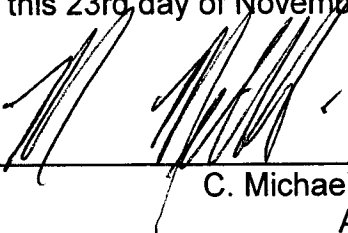

IN ATTENDANCE: Claimants  
Belinda Bain, for the Administration  
Carol Miller, for the Administration

## SUPPLEMENTARY DECISION

This is an Ontario-based Claimant, claim # 4155

1. In this claim, I issued a decision on October 16, 2006, in which the Claimants were given one month to indicate clearly in writing that they do have evidence to proceed with the claim or that they do not have such evidence to proceed with the claim.
2. Paragraphs 8 and 9 of that decision read as follows:
  - "8. Accordingly, in light of all of the confusion in the Claimants' minds, I will leave it open for one month from the date hereof for the Claimants to indicate, **clearly in writing**, that they do have evidence to proceed with the claim, or that they do not have evidence to proceed with the claim.
  9. If there is no evidence that the Claimants have to call, the claim will be dismissed. If I do not receive such material in writing within the month, the claim will be dismissed."
3. The Claimants have not tendered any material to indicate whether they wish to proceed with the claim or not. At the hearing of this matter on December 19, 2006, the Claimants indicated that they did not have any evidence, and understood that the claim would be dismissed. Based on the fact that there was no evidence called and no response to my decision of October 16, 2006, the claim is hereby dismissed.

DATED at Toronto this 23rd day of November, 2006
