CANADA
PROVINCE OF QUEBEC
DISTRICT OF MONTREAL
N°: 500-06-000016-960

DATE: April 25TH, 2007

PRESIDED BY: JUSTICE NICOLE MORNEAU, S.C.J.

DOMINIQUE HONHON

The Applicant

vs

THE ATTORNEY GENERAL OF CANADA

and

THE ATTORNEY-GENERAL OF QUEBEC

and

THE CANADIAN RED CROSS

The Respondents

and

CLAIMANT NO 1200222

THE APPELLANT

REASONS FOR REVIEW OF REFEREE'S DECISION RENDERED ON SEPTEMBER 29, 2006 (HEPATITIS C CLASS ACTION SETTLEMENT AGREEMENT-JANUARY 1, 1986-JULY 1, 1990)

[1] The Claimant's name was called over the speakerphone throughout the court house before the start of the hearing; her absence is noted.

[2] The Fund Counsel is authorized to proceed ex parte.

[3] From the Referee's decision, the undersigned retains that the hearing lasted several days, that the file relating the facts and a transcript of testimonies were provided. In conclusion, the Claimant's challenge has no basis, if only her allegations that her husband's hospital files are incomplete or inaccurate.

[4] The Claimant's allegations are insufficient. There is no basis for me to reject the Referee's decision.

FOR THESE REASONS, THE COURT:

REJECTS the Claimant's challenge;

CONFIRMS Referee Nols' decision dated September 29, 2006;

ALL THIS, without costs.
