

SOP on \$1,000 per month payment for HCV Compensable Drug Therapy (Plans - ss.4.05)

1. The Administrator shall pay \$1,000 per therapy month of completed HCV Drug Therapy as indicated by a physician based on Tran 2 / Hemo 2, or a treating physician form to be developed by the Administrator which captures the information requested in No.2, Disease Level 3, of Tran 2 / Hemo 2, and which includes a question as to whether the person is currently undergoing HCV Compensable Drug Therapy.
2. HCV Infected Persons who have undergone or are undergoing HCV Compensable Therapy will be paid once 6 therapy months have been completed, and at six months intervals thereafter, or on the cessation of HCV Compensable Therapy.
